#### Tuesday Evenings are Quiz Evenings

Every Tuesday evening there is a quiz which starts at 8 p.m. We have an array of quiz-masters, but the format is always the same: 30 questions before the interval and another thirty after the interval. When the 60 questions have been marked there are cash prizes for the top three teams. We then finish with a “Stinker” competition of 5 multiple choice questions. To win this your team has to get all five questions correct. The Stinker prize of **€360** for last week’s Quiz was not won, so rolls over to tonight’s Quiz. If you have never been to one of our quizzes, why not come & see what they are like. Teams are limited to four people, but if you cannot make four we will find a team for you somewhere. The atmosphere is friendly and newcomers are always welcome
